Subject: Resumption of Regular Classes

This is to inform all students that regular classes at Khuman Media Computer Training Institute will resume from Monday, 9th June 2025.

Classes were temporarily suspended due to the recent heavy floods across the state. As the situation has now returned to normal, all students are hereby instructed to attend their scheduled classes without fail.

We appreciate your patience and cooperation during the unexpected disruption. Let us all resume our academic journey with renewed focus and commitment.

For any queries, students may contact the office during working hours.
